Toggle Time 4

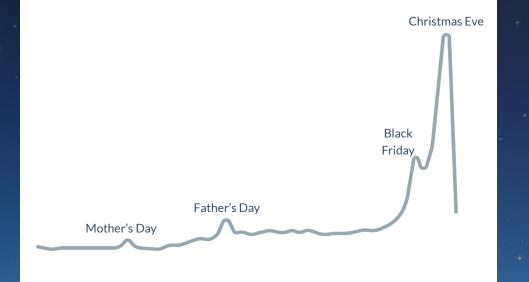

The UK's hospitality gift card market has grown year on year. In 2024 the market is valued at £8.8 billion.

This is our 7th Christmas since launching Toggle and we have witnessed this first hand with our customers sales.

The average number of gift cards sold per location over the last year has increased by 97%

£23.5 million was sold via Toggle in November & December 2023.

This year we're predicting £37 Million in the same period.

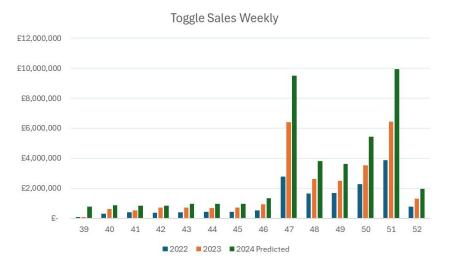

November & December

55% of your annual gift cards sales will occur in the final two months of the year.

We're now in week 45 - so the best is still ahead of us.

Don't stop now, let us guide you through the simple checklist that takes you from Christmas chaos to Toggletopia
